

## **I go to the rock**

Where do I go when there's nobody else to turn to?

Who do I talk to when nobody wants to listen?

Who do I lean on when there's no foundation stable?

I go to the rock I know he's able

I go to the rock I go to the rock for my salvation

I go to the stone that the builders rejected

I run to the mountain and the mountain stands by me

When the Earth all around me is sinking sand

On Christ, the solid rock I stand

When I need a shelter, when I need a friend

I go to the rock

Where do I go, where do I go

When the storms of life are threatening?

Who do I turn to when those winds of sorrow blow?

And is there a refuge in the time of tribulation?

I go to the rock I know He's able

I go to the rock I know He's the rock for my salvation

I know He's the stone that the builders rejected

I run to the mountain and the mountain stands by me

When the Earth all around me is sinking sand

On Christ, the solid rock I stand

When I need a shelter, when I need a friend

I go to the rock

I know He's the rock for my salvation

I know He's the stone that the builders rejected

I run to the mountain and the mountain stands by me

When the Earth all around me is sinking sand

On Christ, the solid rock I stand

When I need a shelter, when I need a friend

## **Blessed in the city**

Blessed (x4)

**We're blessed in the city We're blessed in the field**

**We're blessed when we come and when we go**

**We cast down every stronghold**

**Sickness and poverty must cease**

**For the devil is defeated We are blessed**

Since thou has walked uprightly

As a light in a dark land

Since thou has placed in thy heart

All the Lord's commands

He's set thee above nations

and cast thine enemies away

He's standing up within thee

So let me hear you say

We know that God's word

is clothed in truth and righteousness

We are His children

and with our heart we do confess

Late in the midnight hour

Go's gonna turn it around

It's gonna work in your favor

Shout unto God

**We're blessed in the city We're blessed in the field**

**We're blessed when we come and when we go**

**We cast down every stronghold**

**Sickness and poverty must cease**

**For the devil is defeated We are blessed**

Shout unto God With the voice of triumph

Let's sing and rejoice For His name is great

see'mon let's celebrate, say.....

## **My Life Is In Your Hands**

You don't have to worry  
And don't you be afraid  
Joy comes in the morning  
Troubles they don't last always  
For there's a friend named Jesus  
Who will wipe your tears away  
And if your heart is broken  
Just lift your hands and say

Oh  
I know that I can make it  
I know that I can stand  
No matter what may come my way  
My life is in your hands

With Jesus I can take it  
With Him I know I can stand  
No matter what may come my way  
My life is in your hands

So when your tests and trials  
They seem to get you down  
And all your friends and loved ones  
Are nowhere to be found  
Remember there's a friend named Jesus  
Who will wipe your tears away  
And if your heart is broken  
Just lift your hands and say

Oh  
I know that I can make it  
I know that I can stand  
No matter what may come my way  
My life is in your hands

With Jesus I can take it  
With Him I know I can stand  
No matter what may come my way  
My life is in your hands

## **Bridge over troubled water**

**Don't trouble the water, git along  
Why don't cha, why don't cha, let it be  
Still water run deep, yes it do, ooo yeah**

When you're weary, feeling small  
When tears are in your eyes, I'll dry them all  
I'm on your side, oh, when times get rough  
And friends just can't be found  
Like a bridge over troubled water  
I will lay me down  
Like a bridge over troubled water  
I will lay me down

When you're down and out  
When you're on the street  
**When evening falls** so hard I will comfort you  
I'll take your part, when darkness comes  
And there's no one you love around  
**Like a bridge over troubled water** I will lay me down  
**Like a bridge over troubled water** I will lay me down

(16 taktów)

Sail on silver boy Sail on by  
Your time has come to shine  
All of your dreams are on their way  
**See how they shine** and if you ever need a friend (**need a friend**)  
Look around, I'm sailing right behind (**ooooo**)  
**like a bridge over troubled water**  
I'll be there to lay me down  
**Like a bridge over troubled water**  
I will lay me down

**Don't trouble the water, give it up  
Why don't cha, why don't cha, let it be  
Still water run deep, yes it do, Oh yeah**

**Don't trouble the water, git along  
Why don't cha, why don't cha, let it be

## Ain't no mountain high enough

Now if you need me Call me No matter where you are  
No matter how far, don't worry baby  
Just call out my name I'll be there in a hurry, you don't have to worry

'Cause baby, there ain't no mountain high enough  
Ain't no valley low enough  
Ain't no river wide enough  
To keep me from getting to you, babe

Remember the day I set you free  
I told you, you could always count on me, darling  
And from that day on I made a vow  
I'll be there when you want me, some way, some how

'Cause baby, there ain't no mountain high enough  
Ain't no valley low enough  
Ain't no river wide enough  
To keep me from getting to you, babe

And no wind, no rain  
Or winter's cold  
Can stop me, baby  
if you're ever in trouble  
I'll be there on the double  
Just send for me, Oh baby

My love is alive /deep down in my heart  
Although we're miles apart  
If you ever need, a helping hand  
I'll be there on the double  
Just as fast as I can

'Cause baby, there ain't no mountain high enough  
Ain't no valley low enough Ain't no river wide enough  
To keep me from getting to you, babe

Ain't no mountain high enough / Ain't no valley low enough  
Ain't no river wide enough / To keep me from you

Ain't no mountain high enough / Ain't no valley low enough  
Ain't no river wide enough / To keep me from you

Aaaahhh... nothing can keep me, keep me from you  
Ain't no mountain high enough, nothing can keep me, keep me from you

Aaaahhh... nothing can keep me, keep me from you  
Ain't no mountain high enough, nothing can keep me, keep me from you

Ain't no mountain high enough

## Białe Świąta/White Christmas

W marzeniach widzę znów święta.  
Te święta, które znam sprzed lat.  
Drzewa w światłach błyszczą i dzieci milkną  
Wysłuchane w ciche dzwonki sań.

(tup tup, tup turup)W marzeniach widzę znów święta.  
(tup tup, tup turup)Ślę kartki pełne ciepłych słów.  
(aaaaaaa)Niech radosny będzie ten czas  
(tup tup, tup turup)I niech święta białe będą znów.

(tup tup, tup turup) I'm dreaming of a white Christmas  
(tup tup, tup turup) Just like the ones I used to know  
(aaaaaaa) Where the treetops glisten and children listen  
(tup tup, tup turup)To hear sleigh bells in the snow

(tup tup, tup turup) I'm dreaming of a white Christmas  
(tup tup, tup turup) With every Christmas card I write  
(aaaaaaa) May your days, May your days, May your days be merry and bright  
And may all your Christmases be white

## "How I Got Over"

How I got over how I got over  
How I got over how I got over  
My soul look back and wonder how I got over  
How I got over how I got over  
How I got over how I got over  
My soul look back and wonder how I got over

Just as soon as I see Jesus oh yes  
The man who made me free oh yes oh yes  
He was the man that bleed and suffer oh yes oh yes oh yes  
Who died for you and me oh yes

I wanna thank him  
Because he brought me oh yes  
Because he taught me oh yes oh yes  
I wanna thanke god because he kept me oh yes oh yes oh yes  
Cause he left me oh yes

I wanna sing hallelujah  
I might shout this evening trouble over  
I'm gonna thank Jesus for all he's done for me

Oh yell, how I got over, over

My soul look back and wonder how I got over  
Oh yell, how I got over, over  
My soul look back and wonder how I got over

I wanna wear a diamond gem  
In the new Jerusalem  
I wanna walk the street of gold  
In the homeland of the old  
I'm going to view the host in white  
Who travel both day and night  
Coming up from every nation  
On the way to the great carnation

I will sing hallelujah  
Trouble over  
I wanna thank Jesus for all he's done for me  
How I got over, over  
My soul look back and wonder how I got over  
How I got over, over  
My soul look back and wonder how I got over  
How I got over, over  
My soul look back and wonder  
Soul look back and wonder  
Soul look back and wonder  
Soul look back and wonder how I got over

I wanna thank you thank you  
Thank you thank you  
Thank you  
Thank you Jesus thank you Lord  
Thank you Lord thank you  
Thank you Jesus thank you Lord  
You brought me  
You taught me lord  
You kept me  
And you never left me  
Thank you Jesus  
Thank you Lord  
How I got over how I got over  
How I got over how I got over  
My soul look back and wonder how I got over

Soul look back and wonder how I got over  
Over, over  
Soul look back and wonder  
Soul look back and wonder  
Soul look back and wonder how I got over
